

# AVIATION CYBER INITIATIVE CYBER RODEO AND CAPTURE THE FLAG

DAYTONA BEACH, FL

FEBRUARY 4-5, 2026

FREE EVENT

## REGISTER NOW!

Every year, the Center for Aerospace Resilient Systems (CARS) at Embry-Riddle Aeronautical University teams up with industry and government partners to host an electrifying ACI Cyber Rodeo event and Capture-the-Flag (CTF) competition in the Student Union Event Center!

This 4th annual event will be bigger and better than ever before, featuring more universities, an expanded company recruiting event, cutting-edge technical demonstrations, an engaging poster session, insightful technical briefings and the latest high-stakes CTF challenges.

This event showcases Embry-Riddle's state-of-the-art aviation and aerospace cyber research, development, testing and collaborative capabilities, making it an unmissable highlight of the year!
